Notes: This gelding is simply phenomenal; from his mind, disposition, to his athletic ability, he has proved himself in the pasture/arena. There is absolutely nothing that we have thrown at him that he hasn't handled, from penning, roping wild buffalo to doctoring yearlings, catching cattle! Can really run, has plenty of rate. We have ridden him in thick country/prowled river bottoms. Deer/hogs have blew through us and he never bobbled. Has had 90 days on the head side; pretty mover, strong across the pen and can face. Scores, leaves flat off your hand. Has eye appeal, shape and brains, cleaned legged, sound, quiet, gentle! No rare, buck or run off. 15.3 hands, 1200 lbs. Wears 0 shoe. DEMO: HEAD.

MAKIAH

Consignor: ZIA GILILLAND
2020 SORREL MARE GRADE

131

Notes: Makiah is a 6 year old 42" pony mare with a heart of gold. Soft handle and smooth as butter. Walks, trots, and lopes with zero fuss. Safe and dependable, she will raise many generations to come. Perfect for kids in or out of the arena at playdays, tracking cattle or simply doing kid and pony shenanigans.

APPLESAUCE

Consignor: MATTHEW TURNEY
2015 PALOMINO MARE GRADE

132

Notes: Applesauce is a gentle, cowy pony that can do a full day's work and then go win the playday. She has carried a flag, been roped on, and is easy to saddle. My 10 year old son won an all-around playday series buckle on her this last summer, and all three of my kids can ride her to help doctor and move cattle at the ranch. She is around 13 hands and is one most any rider can enjoy.

Consignor: ASHLEY FOX
2010 BAY GELDING GRADE

176

Notes: A real ranch horse with depth, soundness, and cow. We are the only owners since purchasing him at 2 from TSU, and his entire life has been thoughtfully managed. He is broke, steady, and correct, but absolutely not used up. In reality, he likely has less mileage than most 8-year-olds, despite his age. Used seasonally to gather, wean, and process cattle. Doctor wheat pasture cattle, load bulls, bushwhack after rogue cows. Shown in SHOT 3-4 year old. He is a push horse, not a pull, stays between your legs, extremely cowy. Roped in pasture, never out of the box. Never fresh, always sound, zero maint. Not a true beginner horse, but he is exceptionally safe/honest.
